Dear friends and patients,

Over the last 36 years I have immensely enjoyed the practice of dentistry. I want to give thanks to all who have allowed me the privilege of working with you, your friends, and multiple generations of families. You have made my professional career extremely rewarding and even fun. Unfortunately due to changes in my health, I have no choice but to retire.

I have found a colleague who shares the same philosophy and dedication to care for my patients as I have. I am pleased to introduce Dr. Feroz Nawabi to you. Dr. Nawabi will be taking over responsibility for your dental treatment in our office. We are so fortunate to have found such a competent and caring dentist to provide us all with continuing care. My wife, Leslie, and I have placed our trust in Dr. Nawabi for our own dental care.

Dr. Nawabi, his wife Joan Haley, and children are members of our community and look forward to raising their family here. He holds a degree in Natural Sciences and a B.S. in Organ Systems Physiology, minor in Chemistry, with Honors. In 2004, Dr. Nawabi graduated from the prestigious University of Southern California School of Dentistry, as one of the top students in his class. Thereafter, he served as a Captain in the United States Air Force, Medical Corps. Since his honorable separation, he has practiced as a dental surgeon throughout California. Dr. Nawabi has also received additional Oral and Maxillofacial Surgery training in an internship, several rotations and externships in the Air Force and at distinguished institutions around the country. He is on staff at many local hospitals, including Sutter Memorial, Kaiser and Greater Sacramento Surgery Center. He practices Hospital Dental Surgery and Special Needs Patient Care at these facilities. Dr. Nawabi and his wife look forward to meeting each of you, and serving the dental needs of your family and friends for years to come.

I am comfortable in knowing the trust and confidence you have placed with me will continue with Dr. Nawabi. I feel his extensive knowledge and new techniques will enhance your oral health.

Also I want to express my deep appreciation to my dedicated staff, which have provided me and my patients with attention to detail, individualized service, and represented our office with a sense of pride throughout the years. My staff will continue to serve you as before with care, consideration and of course a sense of humor. The staff is excited for you to meet Dr. Nawabi and to continue your regular dental care. All appointments, both short term and long term remain unchanged. If you are overdue for a checkup and cleaning, be sure to call and schedule an appointment.

Dr. Nawabi and I will work together to provide you with a smooth transition. He is looking forward to meeting all of you and I leave you with wishes to be well and to have a truly healthy, happy, smile.

Most Sincerely,

Kris Martinson, D.D.S.
